

NATURE *Journaling*

HOSTED BY MESILLA
VALLEY AUDUBON SOCIETY

Spend Time Enjoying Nature

Whether you're sitting in your backyard, camping at a state park, or taking a hike, you can dive deeper into nature by nature journaling. We'll show you how!

Nature Journaling

Nature journaling has been taken up around the world by people who love exploring nature and recording what they see. Try it!

Join Us!

Mesilla Valley Audubon Society is launching the MVAS Nature Journaling Group to enjoy time journaling together and help others start with this enjoyable practice. There's no charge to join!
